The Utah Amateur Baseball league opened its season Saturday afternoon with two games, and judging from the attendance and the style of ball served to the fans the season will be a successful one.

The R. M. B.'s and Y. M. C. A. played on Cummings field, the latter winning by a score of 10 to 2. The Z. C. M. I. beat the O. S. L. by a score of 8 to 2 on the Wandamere diamond.

When the recent weather, which has made it impossible for the men to practice, is taken into consideration, the games yesterday were good and were largely of the nature of pitchers' battles.

Kaefer of the Short Lines was brilliant at times, with twelve strikeouts to his credit, but the Z. C. M. I. boys succeeded in finding him safely often times in the game, winning by a score of 8 to 2. Ash of the Z. C. M. I. was wild, but managed to steady down at critical periods with men on bases, pulling himself out of numerous bad-looking holes. The teams lined up as follows:

Z. C. M. I. O. S. L.

Williams, pitcher; Young, catcher; Ash, first; Kaefer, second; Clemens, third; Romney, fourth; Knickerbocker, fifth; Blomquist, sixth; Miller, seventh; Griggs, eighth; Barber, ninth; Hummel, tenth.

Christians Ring Bell.

The Y. M. C. A. rang the Bell ten times in the other game of the day. This game was especially notable for the quality of the pitching, Hanson getting thirteen strikeouts and Ludlow nine. With much superior support and better base running, Ludlow won his game easily. The Bell team as it played yesterday, was together for the first time, as important changes in the lineup were made at the last moment, owing to the inability of some of the players to take part yesterday. After having been introduced to each other, however, the Bell men went into the game and made a creditable showing against a fast aggregation, with promise of a better showing with improved organization.

The vacancy in the league caused by the withdrawal of the N. G. U. team was filled Friday evening, when the Ogden Union Depot club was admitted to membership. As the Ogden team has an engagement to play Collinston Saturday it was impossible to have a league game between Ogden and Wandamere, the other member of the league, and the two teams will play the postponed game at a convenient time later in the season.

KETCHELL AND BURNS

MAY BOX FOR TITLE

Special to The Tribune.

NEW YORK, June 6.—Stanley Ketchell and Abe Attell arrived here tonight from Milwaukee. The pair had not been in the city more than two hours when Ketchell received a telegram from Coffroth that he would match Burns against him for the heavyweight title. While Ketchell is not considered as having an equal chance with Burns just at the present time, it is thought that in two more years he will outclass Burns. Ketchell is adding weight every month. He started in the welterweight class two years ago and now it is hard for him to make the middleweight. With a little more ring experience among men of his weight he will be a hard "nut to crack in the future. He is a natural born fighter and allows no fancy boxing when he once steps into the ring and faces an opponent.

Shut Out.

The Rocky Mountain Giants beat All Hallows' on Saturday with a score of 9 to 0 in a nine-inning game. The lineup of the winners was in order from catcher—Mitchell, Taylor, E. Walker, D. Walker, DeCamp, Neilson, S. Mitchell, Orr and Reese.

The girls in the above picture represent the Lincoln basketball team, which won the city grade school championship last week at Wandamere, defeating the crack Lowell team, which was picked to win the title. The girls were handicapped somewhat by leaving their uniforms at home, while the Lowell girls came prepared to make a big score, but when time was called for the last half the score stood 11 to 10 against them, much to the surprise of all the basketball fans present.

LAST GAME OF BALL

BY PRESENT TEAMS

The last game of baseball between the present Salt Lake team and the Occidentals will be played Sunday afternoon on the Walker field, commencing at 3 o'clock. The colored team has been strengthened by the arrival of Langley from Los Angeles, who will catch. Langford will pitch, and with this battery backed up by good fielders the Occidentals feel that they will be able to win today's game, at least they are betting large sums of money to that end. Hummel will pitch for Salt Lake, and he says he is in better shape than ever and will try to break the record for strike-outs for the season. Lumley will catch.

Will Go East.

SEATTLE, June 6.—The University of Washington eight-oared crew, which now holds the Pacific coast championship, has sent its entry for the intercollegiate regatta at Poughkeepsie on June 23 and 24. The crew plans to leave Seattle in a special car on June 9.

Looker Wins Road Race.

NEW YORK, June 6.—George R. Looker of Syracuse, N. Y., 4 1/2 miles handicap, won the Irvington-Milburn road race, 1 hour, 15 minutes and 13 seconds.

MULTNOMAH WINS
NORTHWEST MEET

Takes Judges Fifteen Minutes
to Decide Finish of Mile
Run.

PORTLAND, June 6.—The Multnomah Amateur Athletic club won the field and track meet of the Pacific Northwest Amateur association today, taking fifty-three points. The University of Oregon was its nearest competitor, with twenty-three points. Olympic, of San Francisco, third, with 19, and Seattle fourth, with 17. While Multnomah's athletes accredited themselves in good shape, it is only fair to state that the predominance of the local clubs' entries had much to do with the result. There were no records broken today. The sensation of the afternoon was the finish in the mile run. Devolt, of Multnomah, and Clarke, of the Seattle Athletic club, were so close together that both carried the tape with them. The judges were first inclined to declare a dead heat, and it was only after fifteen minutes discussion that it was finally decided to award the race to Devolt.
